The East African Safari Specialists

Our Services

We offer a range of services in Uganda, from a 3-day weekend to our 12-day Ultimate Uganda Safari. Also, we offer Bird watching trips throughout the country; providing our clients the opportunity to discover the most sought after endemics the region has to offer. Our trips are offered on a full package basis that includes accommodation, park entries, vehicle, and guide fees.

Safaris and Birdwatching

Experience all the Pearl of Africa has to offer as you tour through our cities, National Parks, and Wildlife Reserves. Breathtaking scenic views can be seen in every direction as we travel to explore Gorillas, Chimpanzees, and countless other endemic wildlife, flora, and fauna. And if you seek rare exotic bird watching, Uganda has more bird species per square kilometre than any other country in Africa
